

BECAUSE OF

AVISTA ADVENTIST HOSPITAL
ASSOCIATE CAMPAIGN

Welcome to the Associate Campaign!

Dear Friend,

You are incredible.

Every day, you and your fellow associates at Avista Adventist Hospital show up to provide high quality, whole person care. Last year, in the midst of a global pandemic, you did not waver from your commitment.

You wore your PPE and changed the world around you, fulfilling our mission and nurturing the people in our community. You proved that when we work together—giving of our hearts, our hands, and our spirits—we are unstoppable.

Friend, we are strong today *Because of You*.

You have blessed us with your time, your skills, and your individual purpose. Today, we would like to invite you to take your impact one step further with a gift to advance our mission.

By contributing to one of the funds detailed below through a [payroll deduction](#), [credit card gift](#), or [PTO deduction](#), you will help uplift our fellow associates, our patients, and our communities.

How You Can Make an Impact

We're raising funds for four critical projects to support the whole person health of our Avista community:

Associate Financial Assistance

We all face unexpected financial challenges due to illness, loss of a loved one, accidents, and other hardships. Gifts provide a safety net for our Avista Adventist Hospital associates, should they find themselves in need.

New Life Center – NICU

Avista's NICU is now the region's primary Level III care provider for premature newborns. A gift to our New Life Center will enable us to provide families in our care with the nurturing support Avista is known for.

Healing Arts Program

A gift to the Healing Arts Program enables us to truly heal the mind, body, and spirit of our patients through therapeutic music.

Global Health Initiatives (GHI)

We partner with hospitals in Nepal, Peru, and Rwanda to provide desperately needed medical care to their local communities. Trip scholarships will allow all associates the opportunity to experience a life-changing GHI trip.
