

## “AdventHealth Gave Us Back Our Lives”

Dear Friend,

We all know someone whose life has been impacted by heart disease. It's one of the leading causes of death and hospitalization for adults in the United States — yet when it strikes, we are often taken by surprise.

This was the case for local business owner Jay, whose visit to the doctor for chest pains escalated into emergency open heart surgery at AdventHealth Ocala. Our world-class surgeons repaired Jay's heart — and before long, he was back behind the wheel of his food truck doing the work he loves.

The Ocala cardiology team "made us feel like a part of their family," said Jay's wife, Tammy. "They gave us our lives back."

This World Heart Day, Sept. 29, we hope you'll consider helping us deliver **health care with heart** through a gift supporting the advancement of AdventHealth Ocala's nationally recognized Heart and Vascular Program.

[Share the Love](#)

As Marion County's only HeartCARE Center™, it is essential that our programming, equipment and facility remain on the leading edge — so that we can meet the whole-person needs of our community, every day.

Much of our hospital's lifesaving work is made possible by the incredible generosity of donors here in our community. **When you support AdventHealth Ocala Foundation, you become a part of success stories like Jay's.**

**Can we count on you to join us?**

With gratitude,

Jenna Krager  
Executive Director  
AdventHealth Ocala Foundation

## About AdventHealth Ocala Foundation

The AdventHealth Ocala Foundation is a nonprofit organization that supports AdventHealth Ocala's mission, vision, programs and services. By partnering with us, you can help people live their best, most vibrant lives and experience how generosity heals.
