

INTRODUCING

Women Empowering Women

A Giving Circle:
Investing Together in Our Community

Avista Hospital Foundation

Women Empowering Women invites you to join our network of community leaders who share Avista’s vision: every community, every neighborhood, every life—whole and healthy.

Together, this giving circle of like-minded women will provide philanthropic support for Women’s Health Initiatives—such as the treatment of diseases or conditions unique to female patients (e.g, breast cancer, ovarian cancer, etc.)—and the Neonatal Intensive Care Unit at Avista. The circle will also serve to educate and empower the women in our community on their journey to health.

Our unique membership group allows your annual gift to be pooled for a stronger collective impact. Women Empowering Women members enjoy benefits such as special access to quarterly socials, networking and educational events. Every fall you will also be invited to our exclusive Women Empowering Women Giving Circle Luncheon. As well as VIP tickets to the annual Inspiration in Women’s Wellness Luncheon, behind-the-scenes impact updates from Avista Adventist Hospital Foundation, and much more!
